

// Mechanical Products - Manitoba

	
<ul style="list-style-type: none"> • Central Station Air Handling Units • Heating, Cooling & Heat Reclaim Coils • Fan Coil Units, Unit Heaters • Condensers & Fluid Coolers • Condensing Units • Centrifugal, Screw and Reciprocating Chillers • Water Cooled Self Contained Units • Packaged Terminal A/C Units • Heat Pumps • Applied Rooftop Units • Packaged A/C Units (Hotel & Apartment) • Block Replacement A/C Units • Unit Ventilators (Herman Nelson) 	<ul style="list-style-type: none"> • Built to Order Product Line Including: • Centrifugal Base Mount and Inline Pumps • Variable Speed Pumping Systems • Pumps Accessories and Engineered Product • Shell & Tube/Plate Type Heat Exchangers • Domestic Condensate Systems • Pressure Booster Systems • Fire Pumps
	
<ul style="list-style-type: none"> • Cooling Towers • Fluid Coolers • Evaporative Condensers 	<ul style="list-style-type: none"> • High Efficiency Heat Recovery Units
	
<ul style="list-style-type: none"> • Water to Water Geothermal Heat Pumps • Ice Kube Stainless Steel Basket Strainers • Ice Kube F.G.S. - Fluorescent Geothermal Solutions • Ice Kube Fan Coil Units 	<ul style="list-style-type: none"> • Gas Fired Humidifiers • Steam Heat Exchange Humidifiers • Self Generating Electric Humidifiers • Electric Cabinet Style Humidifiers • Direct Steam Injection Humidifiers • Complete Line of Rapid Dissipation • Distribution Tube
	
<ul style="list-style-type: none"> • Pressure and Temperature Regulators • Steam Traps, Relief Valves • Pressure Motive Pumps • Specialty Product • Liquid Drainers, Float and Lever Valves, Ejectors 	<ul style="list-style-type: none"> • Rooftop Heating/Cooling Units • Condensing Units • Air Handling Units • Heating / Cooling Units

// Mechanical Products - Manitoba

- Finned Tube Radiation/Custom Radiation Enclosures
- Architectural Radiators
- Convectors
- Unit Heaters/Cabinet Unit Heaters

- Vertical Floor Mount Systems
- Wall Mount Systems
- Ceiling Mount Systems
- Monitoring and Control Products

- Variable Frequency Speed Drives
- Drive Accessories
- Commercial/Industrial Applications

- Custom Air Handling Units
- Rooftop Penthouse Packages

- Commercial and Industrial Chimneys
- Modular Fire Rated & Non-Fire Rated Duct Systems
- Grease Ducts
- Ventilation Ducts

- Chiller / Boiler Plants
- Pump / Heat Transfer Packages
- Hydronic Pump Systems
- Mechanical Corridors for Rooftop Custom Air Handlers

- Extruded Aluminum Linear Radiant Ceiling Panels
- Modular Radiant Ceiling Panels (Drop in Type)
- Custom Radiant Ceiling Panels

- Modular Water Chillers

- TowerClean Systems
- SideStream Clean Systems
- HTH / HTX Separators
- Tower System Media Filters
- Tower System Sand Filters

- Dehumidification Equipment
- Indoor Pools
- Commercial
- Industrial
